Subject —

Increase of pay to the Staff of the Chickmagalur Town Municipality.

In the interests of the efficiency of Municipal Administration, the Municipal Council of Chickmagalur propose the revision of Municipal staff as per particulars shown in the proposition statement annexed. The proposal if sanctioned, will involve an additional recurring expenditure of Rs.1,116 per annum. The chief features of the revision are the entertainment of two additional hands, a deputy clerk on Rs.15 for the Vice President's office and a watch-man for the Health Camp on Rs.7½ and the grant of small increases to the pay of the existing hands. The Financial Department considers that an additional clerk is not necessary and it is not generally in favour of the recommendation. But considering the high rate of wages that prevails in Chickmagalur and the difficulty that exists in the way of getting suitable men, on the

1 4 8 M

the existing salary, I am of opinion that the pay of the sweepers etc at least requires revision. I therefore recommend the acceptance of the Municipal Council's proposals with certain modifications as in the draft order put up, involving an additional permanent recurring cost of Rs.732 per annum and a temporary cost of Rs.144 till the end of June 1915.

Sir,

With reference to para 3 of Government Order No 13251-9/M1.306-13-31 dated 30-6-1914, sanctioning the retention of the provisions made on account of the increases of pay proposed to the Officials of the Chickmagalur Municipality and directing that the same should not be utilized without separate sanction of Government, I have the honor to state th the Municipal Council of Chickmagalur at the time of framing the Budget Estimates of the Municipality for 1914-1915 considered that owing to the rise in the price of food grains, the increased of wages of the labourers and the revision of pay of the several other Departments, the servants of the Municipality also

also may be given a small increase to their pay and made neces-
-sary provisions in the Draft Budget submitted to Government for
sanction. Of the provisions shown in the enclosed statement , Rs
180/- is intended to meet the pay of an additional Clerk to be en-

Sir,

In Continuation of my letter no. 18 dated 9th July 1914 requesting the sanction of Government to utilize the increased provisions retained in the budget of the Chikmagalur Municipality for 1914-15, I have the honor to state that owing to the rise in the price of food grains and the consequent increase of wages of labourers the planters are paying their coolies Rs. 9-10-0 per month of 30 days. The municipality is employing the sweepers for all manual labour and also for orchard work in the afternoon. There is every likelyhood of their striking work if their pay is not raised as suggested in the budget to 4 annas per day

The pay of the karkoons and kalkars being very low, it is urgently required to be raised by one rupee at least so

so that they may get a living wage.

The increases proposed to be given to the clerical establish ment were suggested by the council after careful scrutiny

I therefore request that orders may kindly be passed early to utilise the provisions referred to with effect from 1-7-1914

I have the honor to be ,
